RE: Invitation for Bid No. 164-24, Security System Monitoring and Repairs

Please see Addendum No. 1 for the above-referenced solicitation.

ADDENDUM NO. 1
IFB NO. 164-24
SECURITY SYSTEM MONITORING AND REPAIRS

- A. The following questions were received and Fulton County Schools (FCS) responses for the above referenced solicitation are listed below:
1. What is your current cellular communication?
Honeywell LTE-CFV/LTE-CFA.
 2. Will your cellular communicators be assigned to any new provider?
Yes.
 3. Can you provide list for each control panel?
All security panels are Honeywell Vista J 2&FBP.
 4. Would we have the lock out codes available?
Yes.
 5. When would the time be for programming the panels? Mon-Fri, regular business hours? After hours only? Or a summer project?
Monday-Friday during regular business hours.
 6. Any specific response times?
Next business day for regular service, four (4) hour response for emergencies.
 7. What about the one-time cost to reprogram those systems to report to our monitoring station? How are you wanting that figured into this? Or will you take those hours out of the 600 labor rates for inspection for regular time and the 200 labor rates for inspections overtime?
Bill this to labor hours.
 8. UL Certified & FM Compliant monitoring providers require that Subscribers sign an Agreement. Additionally, most insurance companies require that monitoring be provided by a UL Certified Provider. In the past, we understand this has been a challenge for Fulton County. Is Fulton County open to signing a monitoring agreement?
Yes.
 9. Given our expertise in this specialized environment, would the District be interested in a capabilities presentation to showcase current trends and solutions we are seeing across the Nation?
Yes.
 10. Is there a list the shows the existing Fire & Alarm systems equipment that is currently installed at each location?
All security panels are Honeywell Vista J 2&FBP. Fire alarm panels are monitored via the Honeywell panels.
 11. American Alarm is considering bidding on the Fulton County Schools security and fire alarm monitoring and service. Would you by chance be able to furnish the manufacturer of each alarm or at least a list of the different manufacturers represented by the systems. Certain manufacture's system are dealer only so we would have to take that into consideration.
All security systems are Honeywell.
- B. All other terms and conditions remain the same.
