

Students in Fulton County participated in Georgia Milestones Assessment System (GMAS) End of Grade and End of Course assessments this spring as required by the Georgia Department of Education. The annual CCRPI (College and Career Readiness Performance Index) reports developed by the state will include results for these assessments. The business rules used by the state for CCRPI differ from those used for public reporting of spring GA Milestones results. For instance, CCRPI only includes results for Full Academic Year students and may include credit for performance on other assessments such as the GAA, Dual Enrollment, and AP courses. CCRPI also contains results for all GA Milestones assessment administrations during the school year, including summer results. GMAS public release does not include summer and winter administration results.
